

## Andrews Multicultural Team

# PROGRAMS

### Community Circles

- A chance for Andrews parents to meet and share their heritage and backgrounds in a relaxed, casual setting. This experience helps everyone see that although we come from very diverse backgrounds, we also share many values..
- Held in November
- Parents meet in the Andrews cafeteria for dinner and conversation
- School-aged kids of the parents attending will have their own program in the gym, including dinner
- We need people to help:
  - Register people to attend
  - Recruit extra volunteers for the kids' program
  - Coordinate dinner menus
  - Help set up
  - Help clean up
  - Other coordination tasks

### Multicultural Night

- A school-wide celebration of the many cultures our Andrews Eagles come from! Kids can march in the opening Parade of Nations and join the fashion show. Parents can have a table to display artifacts from their native culture. It's a great way to see where we all come from and share our heritage. All kids who attend will receive a passport to take to the various country booths to get stamped. After the booth displays, entertainment is featured in the gym and includes multicultural songs by the third grade.
- Held in February
- Parents are encouraged to join with other families from the same culture to set up a booth.
- We need people to help:
  - Recruit participants for the Parade of Nations, Fashion Show and Cultural Booths
  - Help coordinate one of these areas
  - Help set up
  - Help clean up
  - Other coordination tasks
