

HELPFUL INFORMATION

Drinks from Dr. Pepper

Dr. Pepper donates 10 cases of drinks to each school every year. You must discuss this with your principal first to confirm that the school is **not going to use the drinks for their own use and not the PTA's. The principal must send an email** request to DK Perry. You need to request the type of drinks and the amount of each one that you would like. They have asked for a 6-8 week notice in the past so please take this into consideration when coordinating this with your event.

The Dr. Pepper website is dpsu.com and click on "Brands & Promotions" for a complete listing of all their products.

Mr. Perry's email is dk_perry@dp7uptx.com
(Please note there is an under score between the K and the P)

US Toys has moved. They are now located off Independence and Parker. They have tons of fun party goods at super cheap prices.
